

Subject: Participation in **National Power Electronics Conference.....**

Dear Sir/Madam,

College of Engineering, Pune (COEP), the third oldest institute of Asia, is bestowed with the responsibility of organizing the **8th National Power Electronics Conference (NPEC), during 18th to 20th Dec. 2017**. Over the years, NPEC has successfully provided a platform for exchange of ideas, information and expertise amongst the power electronics community of India.

We are glad to inform that over **sixty plus quality peer reviewed** papers from IITs, NITs and other prestigious institutions will be presented in the NPEC 2017. Prof. Bhim Singh [IITD], Prof. Dipakraj M. Diwan [Georgia Institute of Technology], Prof. G. Narayanan [IISc], Prof. Shantanu Kapat [IITKH], Prof. Kamalesh Hatua [IITM] and other experts with high professional standing from academia/industry are being invited to give special talks during the conference. Around 250 research scholars/ professionals/faculty/post graduate students across the country will participate in the event.

You have significantly contributed in the academics and development of power electronics community in the country. You being the contributory faculty in the domain of electrical engineering, your association with NPEC 2017 will certainly raise the visibility of the conference. Interactions during the conference will be mutually beneficial.

May I therefore, appeal you to kindly grace the NPEC, by participating as a delegate.

Climate at Pune during the Mid December is at zenith. Conference brochure along with the registration details are attached herewith separately. Kindly visit www.npec2017.com for more details. Please create a login first and then register as the delegate appropriately.

With Warm Regards, and looking forward to meet you at NPEC 2017

Prof. B. N. Chaudhari,

Convener, NPEC 2017
