PROJECT COMPONENTS:

The Third Phase of the Technical Education Quality Improvement Programme is composed of the following components and sub-components:

Component 1: Improving quality and equity in low-income and special category state (LIS/SCS):

- **Sub-component 1.1**: Institutional Development Grants to Government and Government-aided Institutes
- **Sub-component 1.2**: Widening Impact through ATUs in LIS and SCS

Component 2: System-level initiatives to strengthen sector governance and performance

Component 3: Sustaining excellence in engineering education and widening impact through competitively-selected institutes in non-LIS/SCS

- **Sub-component 3.1**: Incubating, Sustaining and Spreading Excellence through Competitively-selected Government and Government-aided Institutes
➢ Sub-component 3.2: Widening Impact through ATUs in non-LIS

IMPLEMENTATION ARRANGEMENTS:

I. Institutional and implementation Arrangements

Central Level

Overall responsibility for the project is with the Department of Higher Education of the Ministry of Human Resource Development (MHRD). MHRD constitutes a National Steering Committee assisted by a small National Project Directorate headed by the National Project Director. MHRD delegates day-to-day implementation to National Project Implementation Unit (NPIU). MHRD entered into a Memorandum of Understanding (MoU) with each State Government.

State Level

State Governments will oversee and facilitate implementation in the institutions in their State through the State Project Implementation Unit (SPIU) under the department responsible for technical education. The Secretary in-charge of technical education is overall responsible for project implementation in that State, assisted by the Director of Technical Education and the team in the SPIUs. Each State will enter into a MoU with each participating institution.

Institutional Level

At the institutional level, the Board of Governors (BOG) is the body responsible for institutional project design, reform and project implementation. The day-to-day implementation is coordinated by a TEQIP unit headed by the institutional Director and assisted by a senior faculty member as the TEQIP coordinator.

There will be around 200 participating Project institutions, including new Centrally Funded Institutions (CFIs). The institutes will sign MoU with State Govt. and State Govt. will sign with MHRD. The Centrally Funded institutions/CFIs shall sign MoU with MHRD.
3. OBJECTIVE OF INTERNAL AUDIT:

The objectives of internal audit are as follows:

- Check accuracy and authenticity of records presented by management
- Ascertain that accounting policies are followed as per plans
- Analyse & improve internal check system
- Facilitate prevention and detection of misstatements
- Examine safeguarding of asset
- Conduct special investigation for management
- Provide new suggestions to the management
- Review operation of overall internal control system
- To evaluate adequacy of internal control system
- To ensure compliance of laid down policies, procedures, accounting and financial reporting documented in Financial Management Manual of the project

Internal audit provides project management with timely information and recommendations on financial management aspects to enable the management to take corrective actions, wherever necessary, in due time.

4. STANDARDS:

The audit will be carried out in accordance with the Engagement and Quality Control Standards promulgated by the Institution of Chartered Accountants of India (ICAI). The auditor should accordingly consider materiality when planning and performing the audit to reduce audit risk to an acceptable level that is consistent with the objective of the audit. Although the responsibility for preventing irregularity, fraud, or the use of credit proceeds for purposes other than as defined in the legal agreement remains with the borrower, the audit should be planned to have a reasonable expectation of detecting material misstatements in the project financial statements.
5. SCOPE OF AUDIT:

The overall scope of Internal Audit in TEQIP-III project will include:

a) enable the auditor to confirm compliance with Financial Management Guidelines laid down for the project.

b) provide SPIU-CG with timely and real time information on Financial Management aspects of the project, including internal controls, compliance with financing agreements and institutions/areas in need for improvement and to enable follow-up action. This will involve regular and frequent visits to Institutions to check adherence with internal control requirements like bank reconciliations, timely maintenance of books/accounting software and accuracy of reporting.

6. GENERAL:

The auditor should be given access to all legal documents, correspondence, financial manual, procurement manual, NPIU/MHRD guidelines and any other information associated with the project and deemed necessary by the auditor.

7. FINANCIAL TRANSACTIONS (Areas needed to be checked by Internal Auditor)

Internal audit of each Implementing Agency (IA) should be conducted on a semi-annual basis. It should be carried out in accordance with the Internal Auditing Standards of Institution of Chartered Accountants of India (ICAI), and will include such substantive and control tests as the Internal Auditor considers necessary under the circumstances.

The internal auditor will conduct an assessment of the adequacy of the project Financial Management system, including internal controls. This would include aspects such as:

a) Whether appropriate controls as specified by the Financial Management Manual (FMM), Project Appraisal Document (PAD), General Financial Rules (GFRs), Project Implementation Plan (PIP) and other relevant Central/State Government notifications are operating satisfactorily. The auditor should suggest methods for improving weak controls or creating them where these controls do not exist.

b) That proper books of account/operation of accounting software as laid down in the Financial Management Manual and adequate documentation is being maintained for timely and accurate reporting for project activities.
c) An assessment of compliance with provisions of the financing agreements [Grant Agreement; Project Agreements, Memorandum of Understanding (MoU)] between Institution and SPIU-CG and State and NPIU.

d) Use of PFMS while making the payments.

e) Reconciliation of PFMS expenditure amount with the books of accounts maintained at institute level.

f) That an adequate system is in place to ensure that goods, works and services are being procured in accordance with the procurement procedures prescribed for the project. The audit should report by exception any such cases found where these guidelines are not followed.

g) That an appropriate system of accounting and financial reporting exists, on the basis of which claims are prepared and submitted for reimbursement.

h) Adequate records are maintained regarding assets created and assets acquired by the project, including details of cost, identification and location of assets.

i) Checking adherence to FM aspects of Disclosure Management requirement of the project by implementing agencies.

j) Timely adjustment of the advances paid to suppliers/staff/etc.

l) The payment vouchers are supported by proper supporting documents.

m) Whether the expenditure has been booked in proper head of account.

n) Payment of taxes to government authorities in time, such as professional tax, Income tax, GST and TDS.

o) The expenditure should be checked as per permissible and non-permissible list issued by NPIU. Verifying compliance with the recommendation of the internal audit report of the previous period(s) and provide comments thereon.
8. TIMING AND COVERAGE:

Internal audit will be carried out on a semi-annual basis and will include institutions and SPIU-CG. The Internal Audit firm will submit an Audit Schedule in advance to SPIU-CG and agree the schedule with the SPIU-CG.

The selection of the internal auditors will be as per procurement guidelines of the World Bank.

9. REPORTING:

In addition to detailed internal audit report, the auditor should provide an Executive Summary highlighting critical issues which require the attention of the State Project Administrator of SPIU-CG and Board of Governor (BoG) of Institution and the status of action on the previous recommendations.

Part C: Compliance to previous Audit Reports:
In this part, provide status of compliance with previous reports and detail pending audit observations. The views of the auditee should also be mentioned. In case there is any difficulty or problem in resolution of audit findings, these should be clearly highlighted.

Part D: Serious Observations:
In this part, provide details of serious audit observations, such as ineligible expenses, major lapses in internal controls, systemic weaknesses, procurement procedures not followed, incorrect information submitted for reimbursements, difference between cash drawn and expenditure reported, procedural lapse, accounting lapse, accounting books & records not maintained etc.

Part E: Other Observations:
Observations that are not serious in nature, but nonetheless require the attention of the Project should be detailed in this part.

Part F: Executive Summary and Suggestions/Recommendations:
Provide an Executive Summary of the observations mentioned in Part C and D along with suggestions/recommendations. Provide specific recommendations on internal control and systemic weaknesses. In addition to audit reports, the auditor will provide a report to Project Management highlighting findings during the period under review. This will be in the form of a consolidated Management Letter, which will inter-alia include:

a) Comments and observations on the financial management records, systems and controls that were examined during the course of the review.
b) Deficiencies and areas of weaknesses in systems and controls and recommendation for their improvement.
c) Compliance with covenants in the financing agreement and comments, if any, on internal and external matters affecting such compliance.
d) Matters that have come to attention during the review and might have a significant impact on the implementation of the Project.
e) Any special review procedures required of a compliance nature (for example, compliance of procurement procedures and procedure for selection of consultants etc. recommended by the World Bank).
f) Any other matters that the auditor considers pertinent.
